

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is an abuse of the public airwaves. This program is not "news" and should be subject to Equal Time regulations. Please ask Sinclair to air a pro-Kerry program of equal length before the election, or order the company not to air "Stolen Honor" at all.

I'm concerned that Sinclair Broadcasting and similar broadcast conglomerates wield inappropriate political power and I believe the FCC can and should regulate this.

Thank you.
